Taxation

An information circular from Municipal Affairs and Environment was circulated to all members by email and presented at the meeting stating: *Councils are reminded that unsupported taxation and failure to link taxes, fees or adjustments with the necessary legislative authority under the Municipalities Act 1999 may expose council to unnecessary litigation and/or financial liability.*

Therefore, if municipalities are served by a water system, sewage system or a water and sewage system, municipalities are required to charge the water and/or sewer tax to the owner of real property that is connected or capable of being serviced by that system. This is not a discretionary tax.

2nd Quarter Financial Reports

The 2nd Quarter Financial Reports were presented to and reviewed by members and found to be average and on par.

Public Works:

Chlorine Readings

Chlorine Readings for the month of June were presented to and reviewed by members. Readings were satisfactory and within guidelines.

Water Usage/Flow Data

The average water usage for the month of June was 132,763 gallons per day.

Public Works:

Valve – Main Street

Town workers attempted to repair the shut off valve in the vicinity of 304 Main Street but were unsuccessful.

Screen Cleaning

Screens were cleaned on July 19th, as per schedule. The report and pictures were presented to and reviewed by members.

Water Resource Water Report

The Water Report from Water Resource is available online. The samples taken last fall indicate the THM's and HAA's were up.

Curb stop damage

Motion-4419-19-Deputy Mayor Peddle/Councillor D. Howell

Resolve that the curb stop at 94 Main Street will be replaced at the cost of the property owner.
